IONIA COUNTY**

**PLANNING COMMISSION
PUBLIC HEARING**

WEDNESDAY OCTOBER 17, 2018

7:00 P.M.

The Danby Township Planning Commission will hold a Public Hearing at the Township Hall located at 13122 Charlotte Highway, Sunfield, MI 48890 to hear and accept public comment on the following request:

The MacKenzie Companies are applying for an amendment to their existing mining special use permit issued on May 22, 2007 and amended on September 28, 2016 of mining sand at their existing mine located at 10889 E Grand River Ave in section 11 and 12. The new amendment of the site plan and reclamation plan is for the purpose of altering the size, shape, depth and location of the extraction area and the future lake by extending it farther to the north to give lake frontage to a resident/property owner's two parcels fronting on Peake Rd.

A copy of the above application will be available for review displayed at the Township Hall and on the website at www.danbytwp.org. Public comment will be accepted at the meeting. Written comments will also be considered if received at the Hall prior to the meeting date. Comments may also be emailed to: zoningadmin@msn.com
